### TO THINK ABOUT

#### **Read Philippians 1:9 and John 10:10**

The words “abound” and “full” are the same Greek word: “perissos”. It means more and more, beyond or excessive.

- Having read these texts, what kind of lives do you think God desires for His people to live?
- What experiences have you had that moved you beyond head knowledge to experiential knowledge?
- How did the experience/experiences change your heart?
